RE: Rakestraw, Donavan L

DATE	NAME OR DESCRIPTION	CHARGES	BALANCE
6/25/2025	Complete Neurologic Orthopedic Evaluation, Review of Medical Records, and Written Report in Conformance with Kansas Supreme Court Decision rendered under Docket Number 117,725, CPT CODE 99199	\$745	\$745

My attorney ordered this medical-legal opinion, never showed it to me, never consulted me, and never explained its impact while telling me workers' compensation was my only remedy, concealing material facts and delaying discovery.
